E-mail: _____

You have two opportunities to order pasture raised broiler chickens this year.

- Our birds are fed **100% USDA Certified Organic Feed** (all locally grown and/or milled!) and are **free ranged on pasture** with NO antibiotics or other synthetic chemicals.
- Our birds are sold fresh with pickup at our farm just outside Milton or at the Ferry Street Growers' Market.
- **ALL birds will be professionally vacuumed packed at the processor.** This will improve the quality of birds placed into frozen storage and dramatically increase storage time.
- Birds are sold WHOLE, cut into HALVES, or cut into 9 PIECES.
- **There is an additional fee of \$.25/bird for halves or \$.75/bird for pieces.**
- **Our price is \$3.95/lb orders of 5+ birds.**
- **Our price is \$4.50/lb orders of less than 5 birds.**
- Each bird will average ~5 lbs.
- A deposit is not required. Payment will be calculated at time of processing and is due at pick-up.

Please select your pickup date(s) and the number of chickens for each date
