You have two varieties of pasture raised broiler chickens to choose from this year.

- **CORNISH CROSS:** These are the variety you will most often find in a broiler and the variety raised in large commercial operations. They have very large breasts with a tender texture. Ideal if you favor large amounts of white breast meat.
- **COLOURED FREEDOM RANGERS:** These are a healthier and heartier variety bred for raising on pasture. The birds have tender, succulent meat with good texture and high levels of omega 3 fats and low levels of saturated fat. They have naturally larger legs and smaller breasts than the Cornish. Flavor is excellent.
- ALL birds are fed 100% USDA Certified Organic feed, are free ranged on pasture and **SOLD FRESH.**
- **PICK-UP DATE:** JULY 9TH FREEDOM RANGERS / JULY 16TH CORNISH CROSS. ALL PICKUPS ARE FROM 8AM-NOON at Ferry Street Growers' Market in Danville.
- **OPTIONS:** Birds are sold WHOLE, cut into HALVES (\$0.40 fee), or cut into 9 PIECES (\$1.00 fee). All birds come professionally vacuum sealed from the processor.
